

## June "Reload" Classic Grand Prix In Jurupa Valley June 26, 2016

***We just added two more  
categories for full day of racing!***

For our June "Reload" Classic we will be added two more categories. We want to bring back a full day of racing for everyone (see race flyer). We want the energy that we had in Ontario, a full day of racing and fun for the entire family. Jurupa is not just for the racer, it's also for your family and friends. Enjoy the feedback that we are getting from the racer that raced the course, "it's a great course, everyone should race it".

SoCalCycling.com: Jurupa Valley course in Riverside is fun and challenging it will test your fitness.

So let support this venue to make sure that we are back next year for another season of racing.

We will have a Food Truck on site all day for the sales of food and beverages.

Due to the Environmental Health Department permit.  
No tailgate parties. That means no cooking on site.  
We will have water for riders and spectators.

New Location, new rules, let's follow them. Let not jeopardize our race permit for future events.
